ABOUT GD WATERMARK

Our Mission

GD Watermark has a mission to offer the fastest and most efficient distribution of plumbing and irrigation products to our National Plumbing Merchants and multi-outlet retail customers.

As a team we are committed to product innovation and exceptional customer service. We supply trusted brands that offer outstanding value and promote intelligent and effective use of water.

Our passionate and knowledgeable team will help educate, problem-solve and add value to all our customers.

Our Vision

At GD Watermark our vision is to achieve operational excellence by continually evolving our processes.

We endeavour to stay on the leading edge of water related products by being aware of global trends and innovation. This will deliver the widest range of world-class products coupled with outstanding service.

Our Core Values

At GD Watermark we believe in building outstanding relationships with our customers in a way that exceeds their expectations. We endeavour to operate with integrity and dignity in all aspects of our business.

Our Platform

- Ultimate distribution nationally – delivery in full, on time
- The widest range of world class products
- Trusted brands
- Dedicated team
- Exceptional service

- Aquaseal Washers

Head to www.aquariusdist.com.au to view their full range.

Please contact one of our dedicated team members to obtain stock availability and pricing.

PVC FITTINGS

Traps

- PVC products are highly resilient, tough and durable with high tensile and high impact strength
- Offers resistance to a wide range of chemicals, sanitary effluents and naturally corrosive soils, ensuring interior walls remain smooth and seamless
- Once PVC systems are properly selected, designed and installed, they are virtually maintenance free – they will not rust, pit, scale, corrode or promote build-up on the interior
- PVC systems are light in weight reducing transportation, handling and installation costs
- No special tools required for cutting
